## Coaching-Staff

It was **Siegfried Gehrke** who initiated the establishment of the UNICORNS in 1983. Three years later, the UNICORNS juniors entered their first official season coached by Gehrke. Until 1990, his last year as a player, he has primarily been responsible for the junior team. In 1991, he took the head coaching job for the first team. Overcoming the ups and downs of his early head coaching years, Gehrke has led his team from the Oberliga to the GFL in 2001.

In 2003 and 2004 he coached the junior team again and also helped the players and coaches of the flaggies team as an assistant coach whenever he could. Siegfried Gehrke is one of few German coaches who is widely accepted and dearly welcomed as a guest speaker at coaching clinics and seminars of the football association.

### Excerpt from the GREEN BOOK (published in 2008 for 25<sup>th</sup> anniversary of the UNICORNS)

When it comes to football in Schwäbisch Hall, **Siegfried Gehrke** is the man. They even call him "Mr. Football". But he is a lot more than that. It's not only due to him that the Unicorns exist. Since the establishment of the club, Sigi has been the driving power both on and off the field, rejecting not even the lowest job of all jobs for "his" Unicorns. His exceptional optimism, affixed to the ability to start and finish things, has been the key factor in the developing process of the Unicorns. There is a multitude of significant examples such as structuring the junior program, the integration of American college players, organizing the latest Schwäbisch Hall high school flag tournaments and the launching of the Bambini-Flag team.

"I never was a great player myself", Sigi claims, although he scored 105 points for the TSG in his career and played multiple positions on the offensive side of the ball. He found the real challenge as a coach on the sideline. While being responsible for the junior team from 1985 to 1990, he eventually took over the head coaching job of the first team in 1991.

In 2003 and 2004 he coached the junior team again and also helped the players and coaches of the flaggies team as an assistant coach whenever he could. He was engaged as a board member working as president temporarily, youth leader in 1990 and vice-president from 1986 to 1993.

**Siegfried Gehrke** lives American Football like no other. Like a football workaholic, he obsessively spends innumerable days and nights analyzing game footage, drawing up plays or scheduling training sessions. 25 years ago he himself could only understand some parts of the complexity of football, but in the meantime he has become one of few German coaches, who is widely accepted and dearly welcomed as a guest speaker at coaching clinics and seminars of the football association.

If the Unicorns had to thank one person for what they have become today, it could only be **Siegfried Gehrke!**

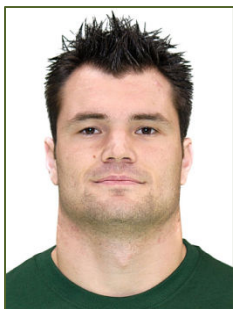

## Coaching-Staff

### **Andreas Wengertsmann** Defense Coordinator & Defensive Backs

Andreas Wengertsmann started to play football for the Unicorns juniors in 1990. Moving up to the first team in 1992, he started coaching the juniors. In 1993 he took over the defensive coordinator job. Five years later, Wengertsmann had his coaching debut with the first team while taking the head coaching job of the juniors team. Due to his job, he moved to Stuttgart and ended up as the head coach for the Stuttgart Scorpions from 2003 to 2005. Since 2007 he can call himself a unicorn again.

### **Sven Mielke** Linebacker

Sven Mielke might be one of the most successful players the Unicorns ever had. He stepped on a football field for the first time when he was 13 years old in 1992. In 1998 he finished his junior career as a player of the national team of Germany and winner of the European Championship. From 1999 to 2007 Mielke was a stronghold linebacker for the first team. He also gained some football experience during an academic year at Allegheny College, Pennsylvania. In 2004, he played for the national team versus the Czech Republic. After a two-year break due to his job, Mielke came back to the Unicorns in 2010 to play his final season. Ever since he is part of the coaching staff.

### **Florian Günter** Offense Line

Florian Günter has been part of the junior offensive line for just two years. Since then he has played guard for the Unicorns for 14 years before he retired after the 2006 season. In 1995, he began early to coach within the junior team. In 1999, he followed his academic studies to become an interior designer leaving no time to coach anymore. Since 2011 he has been back on the Unicorns sideline to coach the GFL team.

### **Bernd Schnurrer** Defense Line

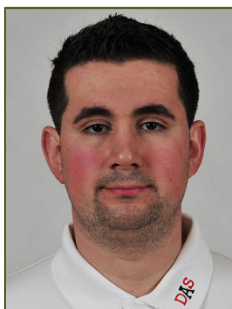

Bernd Schnurrer became a Unicorn junior player in 1991 and won the trophy of Baden-Württemberg during his first year. Playing defensive lineman for the first team from 1992 to 1999, he witnessed both the relegation down to the Oberliga and moving up to the second league again. In 2000 and 2001 he even played GFL football with the Franken Knights. His final career season was, however, played in a Unicorns jersey in 2002. Since 2009 he has been coaching for the juniors team. This year he had his coaching debut with the first team.

## Coaching-Staff

### **Marc Volz    Running Backs**

Marc Volz has been a Unicorn since 1999. He started out as a junior player and moved up to the first team in 2001 – just when the Unicorns moved up to the GFL. He has played at different position in the offensive line until 2008. Since 2001 he has been an assistant coach for the junior team except for one year. In 2009 and 2010 he coached the offensive line under offensive coordinator Jordan Neumann. Due to his job, he could only coach for the junior team in 2011.

### **Jemil Hamiko    Special Teams Coordinator & Wide Receiver**

Jemil Hamiko started playing football as a junior for the Sindelfingen Gators in 1994. Three years later, he switched teams to the Stuttgart Scorpions. After the end of his junior career in 1999, he was very interested in the Holzgerlingen Twister. Hamiko helped to start and run their junior program, one of the best in the south. At the same time, he has also played GFL football for the Scorpions under head coach Andreas Wengertsmann for two years. From 2008 to 2011, he has been the head coach of the Holzgerlingen Twister leading his team from the Regionalliga up to the GFL 2. Ever since he is part of the Unicorns coaching staff.

### **Brian Adkins    Quality Control**

Brian Adkins grew up in San Diego, California, and started playing football there as a 5-year old. He played fullback and defensive tackle on the football team and also participated very successfully in the discus and shot put events at Coronado High School. His career in the U.S. military eventually led his way to Baden-Württemberg where he started coaching many different teams, amongst other things as head coach, such as the Kornwestheim Cougars, the Stuttgart Silver Arrows, the Fellbach Warriors and lastly the Albershausen Crusaders. Since 2009 he has been part of the Unicorns coaching staff.

## Review

### Schwäbisch Hall 2011 – a football dream came true!

Most of the Schwäbisch Hall citizens and especially the UNICORNS will never forget the 2011 season. For some people it was extremely hard work to reach the ultimate goal. For others it was the dream that came true on October 8<sup>th</sup>, 2011.

For the first time in 28 years, the Schwäbisch Hall UNICORNS worked all their way to the GERMAN BOWL, the final of the 33<sup>rd</sup> German Championship. The team was followed by 1.000 fans from Schwäbisch Hall to the MDCC Arena, where the UNICORNS had to face the Kiel Baltic Hurricanes in front of 12.000 spectators.

The UNICORNS led by head coach Siegfried Gehrke had played a fantastic season: 15 wins, no ties and no losses – the PERFECT SEASON was completed in Magdeburg.

The people who stayed at home in Schwäbisch Hall were at the edge of their seats when watching the game's broadcasting on television. UNICORNS football had fascinated its home town unleashing the "UNICORNS-mania". Moreover, playing an excellent, high scoring and exciting game to the very end promoted not only the UNICORNS but the sport of American Football itself across the country.

All the effort and energy that was invested into practicing hard, preparing for the game and traveling a long distance has paid off: The UNICORNS beat the Kiel Baltic Hurricanes 48:44 celebrating the win of the German Championship 2011!

Two days later the victorious team was welcomed back home on a green flooded market place by 2.000 fans and was honored in the city hall by signing the city's golden book. The local museum (Hällisch-Fränkisches Museum) even created a UNICORNS exhibition in remembrance of the unique chapter in sports history in Schwäbisch Hall!
